

Home & Garden Products for a Sustainable Future

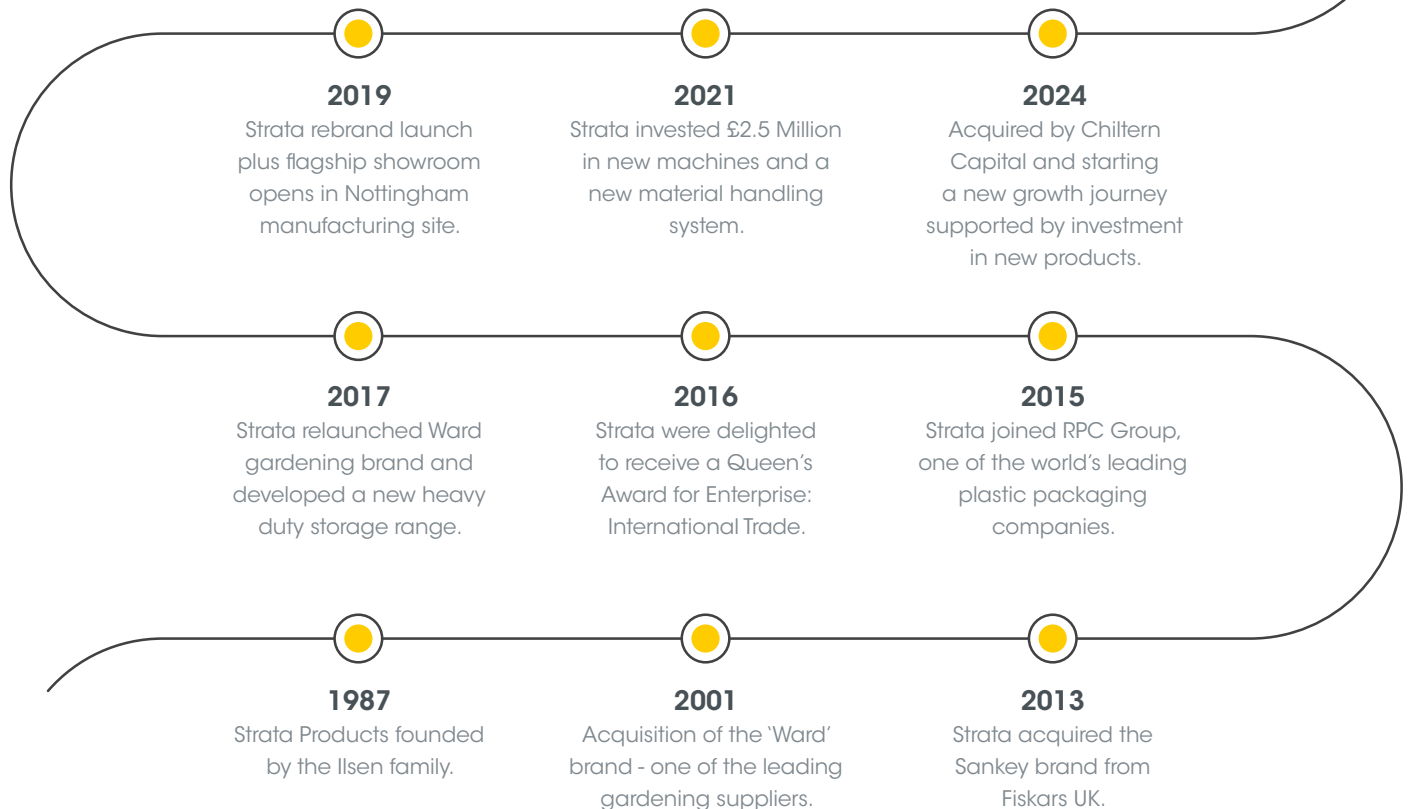

PRODUCT CATALOGUE 2025

Strata Products is a leading UK manufacturer of home, office, garden plastic products. Based in Nottinghamshire with circa 320,000 square feet, our state of the art factory operates 24/7 with over 40 machines injection moulding, blow moulding or rotationally moulding high quality and innovative products for our global customer base.

We are market leaders in many of the product sectors in which we operate and have won numerous awards from our blue chip customer base and also recognised industry bodies. In 2016 we won the Queen’s Award for International Trade which is the highest accolade for business success, given only to companies who are outstanding in their field.
